

**Lecturer
in Human Systems Integration
Department of Operations Research
Naval Postgraduate School, Monterey, CA**

The Naval Postgraduate School (NPS) is accepting applications for the Non-Tenure Track position of Lecturer in the area of Human Systems Integration in the Department of Operations Research (OR). While the desired specific interest is flexible, we would be most interested in candidates with background and experience in Human Systems Integration (HSI), Human Factors Engineering (HFE), and related disciplines.

The Department of Operations Research (OR) at the Naval Postgraduate School in Monterey, California, is the oldest and one of the largest OR departments in the nation. Our students are primarily military officers seeking Master's degrees in defense-oriented OR topics. We also have a small Ph.D. program. Our students are capable, mature, and hard working. The department has 47 faculty members, with 18 tenure track professors, who do research in defense-related stochastic modeling, data analysis, optimization, simulation, human systems integration, and human performance. Our research addresses important and challenging problems in national security and we foster close collaborations with US Navy and Department of Defense sponsors, as well as other universities. Additional information about our department can be found at <http://nps.edu/or>.

Interested parties are encouraged to submit their applications by May 1, 2016. In your application package include your curriculum vitae, names of three references, and a sample of your published work, if any. Tell us in your cover letter why you are interested in this position and comment on your initial research goals, teaching interests, and capabilities.

Minimum qualifications:

- Have an MS or higher degree in HSI, HFE, or a related discipline.
- Be a U.S. citizen or committed to obtain citizenship when eligible.

Please forward your application package to Dr. Lawrence Shattuck, HSI Search Committee, Operations Research Department, Naval Postgraduate School, 1411 Cunningham Rd G-239, Monterey, CA 93943. Email: lgshattu@nps.edu.

Salary is commensurate with qualifications and experience. Relocation package, including recruitment/relocation incentive may be authorized.

The Naval Postgraduate School is an equal opportunity employer. For additional information about NPS, please refer to the website at <http://www.nps.edu>.
