

**Faculty Associate – Education**  
**AD-1701-01**  
**Department of Computer Science**  
**Naval Postgraduate School, Monterey, CA**

The Naval Postgraduate School (NPS) is seeking applications for the position of Faculty Associate – Education in the Department of Computer Science. The NPS Department of Computer Science is located in Monterey, California. Our students are primarily military officers seeking masters degrees, U.S. Government Civilians, and a small number of civilians. Additional information about the department can be found at <http://nps.edu/cs>.

The focus of the position is support of specialized education programs including the CyberCorps® Scholarship for Service (SFS) program at NPS, the Information Assurance Scholarship Program (IASP), and a variety of computer science distance learning and remote education programs. Duties will include a mixture of activities: scholarly investigation to support education programs, design and preparation of curricula or course material, design and development of evaluation and learning support systems. Additional information regarding the position may be found at [http://my.nps.edu/web/cs/cs\\_hire](http://my.nps.edu/web/cs/cs_hire).

We seek to fill the position by June 2016 and will begin reviewing applications 5 May 2016. Applications should include: a resume, three letters of reference with contact information for the references, and a cover letter. In your cover letter explain why you are interested in this position.

Minimum qualifications:

- An earned undergraduate degree in a discipline that supports the department.
- Demonstrated aptitude for curriculum and course development, management, and evaluation.
- Ability to work with faculty and students.
- Must currently hold or be eligible for a SECRET clearance.
- Must be a U.S. citizen.
