

NPS Guest Wireless

Warning

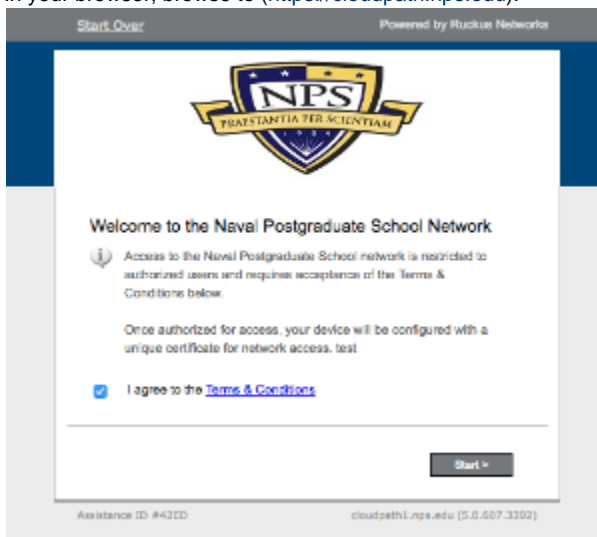

Google login is not yet available.

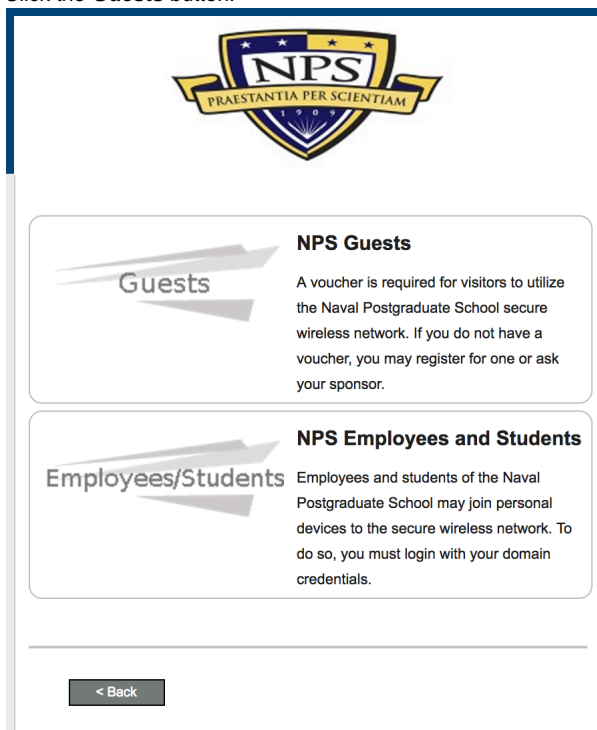

Guest wireless accounts are valid for 2 weeks. If a guest requires a guest wireless account for longer than 2 weeks, they will need to apply for a new guest wireless account following this procedure.

Steps for joining NPS guest wireless

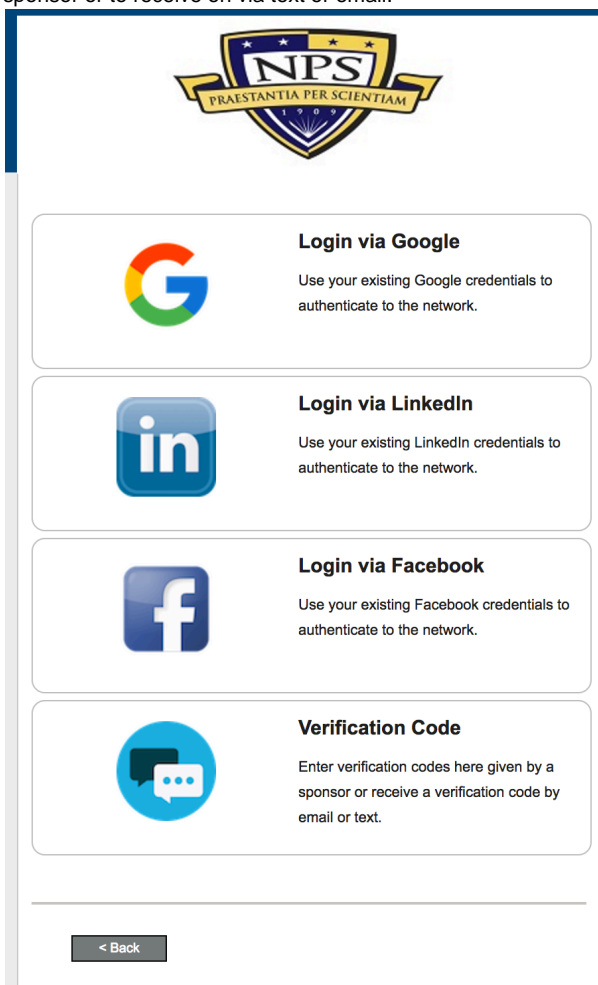

1. In your wireless settings, connect to the **NPS Guest** network.
2. In your browser, browse to (<https://cloudpath.nps.edu>).

3. Click the **Guests** button.

4. Choose to register for guest wireless with an existing Google, LinkedIn, or Facebook account or with a verification code received by a sponsor or to receive on via text or email.

Login via Google
Use your existing Google credentials to authenticate to the network.

Login via LinkedIn
Use your existing LinkedIn credentials to authenticate to the network.

Login via Facebook
Use your existing Facebook credentials to authenticate to the network.

Verification Code
Enter verification codes here given by a sponsor or receive a verification code by email or text.

< Back

5. If using Google, LinkedIn, or Facebook, users will be re-directed to login, then skip to step 7 on this page.

To use verification codes:

- Via email, click **Send To Email**, enter an email address for a mailbox you have access to, then click **Send**.
- Via text message, click **Send TXT Message**, select your country, enter your phone number, and click **Send**. You must be able to receive SMS text messages.
- If you already have a verification code, click **I already have a verification code**, enter the code, and click **Send**. Skip the next step. Note: *This may be done for classroom environments where a sponsor has set up a batch of codes in advance and handed them out to students.*

To access the network, you must pass a verification process. After entering your email address or phone number and clicking Send, a verification code will be sent to you. You must enter the verification code on the next screen.

Send To Email:

Send TXT Message:

Country:

Phone Number:

* Service provider charges may apply.

I already have a verification code:

Cloudpath Authentication would like to access some of your LinkedIn info:

Assistance ID: #42ED cloudpath1.nps.edu (5.0.607.3352)

7. Upon receipt of your verification code or after logging in with LinkedIn, the user should be redirected to the **Connected** page. The user has access to **NPS Guest** wireless.

Becoming a Sponsor for Guest Wireless

Contact the TAC at tac@nps.edu or (831)656-1046 to make a request to become a sponsor. Being a sponsor allows you to create multiple verification codes for guest users for classes or group visits.

Frequently Asked Questions (FAQs)

N/A

Limitations

- Guest wireless accounts are typically valid for 2 weeks. If a guest requires a guest wireless account for longer than 2 weeks, they will need to apply for a new guest wireless account following this procedure. NOTE: *It is possible for a sponsor to establish voucher codes that have a longer or shorter duration and also allow for multiple use (for example if one person will use multiple devices).*

Known Issues

-  **NOC-2045** - allow guests to register on wireless network with Cloudpath **RESOLVED**
- Google login is currently unavailable.
