MISSION
Provide relevant and unique advanced education and research programs to increase the combat effectiveness of commissioned officers of the naval service to enhance the security of the United States. In support of the foregoing, and to sustain academic excellence, foster and encourage a program of relevant and meritorious research which both supports the needs of the Navy and Department of Defense while building the intellectual capital of the Naval Postgraduate School faculty.

VISION
The Naval Postgraduate School develops creative, technologically informed graduates and solutions for a complex and uncertain global security environment. We provide transformative education reinforced by student contributions to advanced research to increase the combat effectiveness of the Navy, and the security of our Nation and our global partners. We embrace knowledge, teamwork, leadership, and innovation to achieve mission objectives, employ resources efficiently, and foster global security.

VALUES
NPS fully embraces the Navy's core values of honor, courage, and commitment.
