### Fall Enrollment Overview

The Fall Enrollment component collects student enrollment counts by level of student, enrollment status, gender and race/ethnicity. In addition, first-time student retention rates and the student-to-faculty ratio are collected. Every other year data on residence of first-time undergraduates is required and in opposite years, enrollment by student age is required to be reported.

For institutions operating on a traditional academic year calendar (semester, trimester, quarter, 4-1-4, or other academic year), Fall enrollment should be reported as of the institution's official fall reporting date or October 15. For institutions operating on a calendar that differs by program or that enrolls students on a continuous basis (referred to as program reporters), Fall enrollment is reported for students enrolled any time during the period August 1 and October 31.

### Data Reporting Reminders:
- Institutions are now required to report using the new race/ethnicity categories. Using the new race/ethnicity categories was optional in the Spring 2009 and 2010 collections and is required in the current Spring 2011 collection.
- For four-year institutions, reporting enrollment by selected fields of study is mandatory this year. In Part A, enrollment in the selected fields will need to be reported on separate screens in addition to the total enrollment reported on the summary screens (CIP 99.0000).
- Part B, Enrollment of students by age, is optional this year.
- Part C, Residence of first-time degree/certificate-seeking undergraduate students, is required this year.

### Resources:

- To access your prior year data submission for this component: Reported Data

If you have questions about completing this survey, please contact the IPEDS Help Desk at 1-877-225-2568.
### Part B Selection

Completion of Part B (Enrollment of Students by Age) is optional this year.

Do you wish to complete Part B this year? If you select 'Yes', you will see Part B and be expected to complete the screens. If you select 'No', you will skip Part B.

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution’s Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the ExPT and sent to your institution’s CEO in November 2011.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or ipedshelp@rti.org.
