## **Civil-Military Relations CONUS Planning (MASL # P171069)**

---

This program provides an intensive five-day planning workshop on civil-military relations challenges. Designed for a mixed group of senior military officers, civilian officials, legislators, and non-government personnel, the workshop is structured to help the participants address country specific civil-military relations issues, needs, and circumstances. The workshop is delivered in CONUS for a specific country or a regional group. The curriculum features a strong problem-solving focus designed to help participants analyze and resolve civil-military conflicts, build mechanisms strengthening civilian control, and deal with the many underlying sources of civil military conflict common to newer democracies.
