NPS Guest Wireless

⚠️ Warning
Google login is not yet available.

⚠️ Guest wireless accounts are valid for 2 weeks. If a guest requires a guest wireless account for longer than 2 weeks, they will need to apply for a new guest wireless account following this procedure.

Steps for joining NPS guest wireless

1. In your wireless settings, connect to the NPS Guest network.

2. In your browser, browse to [https://cloudpath.nps.edu](https://cloudpath.nps.edu).

3. Click the Guests button.
4. Choose to register for guest wireless with an existing Google, LinkedIn, or Facebook account or with a verification code received by a sponsor or to receive on via text or email.

5. If using Google, LinkedIn, or Facebook, users will be re-directed to login, then skip to step 7 on this page.
   To use verification codes:
   a. Via email, click **Send To Email**, enter an email address for a mailbox you have access to, then click **Send**.
   b. Via text message, click **Send TXT Message**, select your country, enter your phone number, and click **Send**. You must be able to receive SMS text messages.
   c. If you already have a verification code, click **I already have a verification code**, enter the code, and click **Send**. Skip the next step. Note: **This may be done for classroom environments where a sponsor has set up a batch of codes in advance and handed them out to students.**
6. Enter the verification code received via email or text message into the Voucher Code field and click Continue.
7. Upon receipt of your verification code or after logging in with LinkedIn, the user should be redirected to the **Connected** page. The user has access to NPS Guest wireless.

**Becoming a Sponsor for Guest Wireless**

Contact the TAC at tac@nps.edu or (831)656-1046 to make a request to become a sponsor. Being a sponsor allows you to create multiple verification codes for guest users for classes or group visits.
